- The Marina User application form must be completed when applying for a berth. If the user form is not completed, then the application may not be considered
- A copy of your vessel's insurance documents must be submitted with the application. The application may not be considered without valid insurance documents.
- Marina users may request the preferred location for their vessel, either the Inner Harbour or Newton Marina. The Port Authority will consider all requests, but the final berth allocation is at the discretion of the Port Authority.
- Parking in the Inner Harbour is restricted.
- Applications received after the closing date may not be considered.
- Boat Trailers must not be left on the Port Authority premises overnight.
